Public Service Loan Forgiveness

*Available for Direct Loans.**

If you are employed by a government or not-for-profit organization, you may be able to receive loan forgiveness under the Public Service Loan Forgiveness (PSLF) Program.

PSLF forgives the remaining balance on your Direct Loans after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying employer.

[Learn more about the PSLF Program](#) and keep reading to learn about the time-limited [PSLF Limited Waiver](#).

[Use the PSLF Help Tool](#) to confirm whether you qualify for the program and check if your previous payments have counted.

PSLF Limited Waiver Opportunity

- For a limited time, you may receive credit for past periods of repayment on loans that would otherwise not qualify for PSLF.
- If you have FFEL, Perkins, or other federal student loans, you'll need to consolidate your loans into a Direct Consolidation Loan to qualify for PSLF both in general and under the waiver. Before consolidating, make sure to check to see if you work for a qualifying employer.
- Past periods of repayment will now count regardless of whether you made a payment, made that payment on time, for the full amount due, on a qualifying repayment plan.
- Periods of deferment or forbearance, and periods of default, continue to not qualify.

Note: The qualifying employment requirement has not changed.

Perkins Loan Cancellation and Discharge

Available only for Federal Perkins Loans.

You may be eligible to have all or a portion of your Perkins Loan canceled (based on your employment or volunteer service) or discharged (under certain conditions). This includes Perkins Loan Teacher Cancellation.

Teacher Loan Forgiveness

Available for Direct Loans and FFEL Program loans.

If you teach full-time for five complete and consecutive academic years in a low-income elementary school, secondary school, or educational service agency, you may be eligible for forgiveness of up to \$17,500 on your Direct Loan or FFEL Program loans.

SECTION 2: BORROWER REQUEST, UNDERSTANDINGS, AND CERTIFICATION

I **request (1)** that the U.S. Department of Education (the Department) determine whether I qualify for PSLF or TEPSLF, and discharge any qualifying loans that I have, and **(2)** if none of my loans qualify for PSLF or TEPSLF when I submit this form, determine how many qualifying payments I have made towards PSLF and TEPSLF.

I just want to find out how many qualifying payments I have made or if my employer is a qualified employer.

I believe I qualify for forgiveness under PSLF or TEPSLF right now.

If I indicated that I believe I qualify for forgiveness now, I want a forbearance while my application is being processed, but understand that periods of forbearance do not count towards forgiveness.

I **understand** that:

- To qualify for forgiveness, I must have made 120 qualifying payments on my Direct Loans while employed full-time by a qualifying employer. Neither the 120 qualifying payments nor employment have to be consecutive.
- To qualify for forgiveness, I must be employed full-time by a qualifying employer when I apply for and get forgiveness.
- By submitting this form, my student loans held by the Department may be transferred to FedLoan Servicing.
- If the Department determines that I appear to be eligible for forgiveness, the Department may contact my employer before granting forgiveness to ensure that I continue to work for the employer.
- If I am eligible for forgiveness, the amount forgiven will be the principal and interest that was due on my eligible Direct Loans when I made my final qualifying payment. Any amount that I pay on those loans after I have made my final qualifying payment will be treated as an overpayment. I must continue to make payments on any of my other loans.
- If I am not eligible for forgiveness, I will be notified of the determination, why it was made, and how many qualifying payments I have made towards PSLF and TEPSLF.

I **certify** that all of the information I have provided on this form and in any accompanying document is true, complete, and correct to the best of my knowledge and belief and that if I cease to be employed by a qualifying employer after I submit this application, but before forgiveness is granted, I will notify the Department (see Section 7) immediately.

Check this box if you cannot obtain certification from your employer because the organization is closed or because the organization has refused to certify your employment. The Department will follow up to assist you in getting documentation of your employment. **Complete Section 3, but do not complete Section 4.**

SECTION 6: DEFINITIONS

QUALIFYING PAYMENT DEFINITIONS

Qualifying payments are on-time, full monthly payments made on an eligible loan after October 1, 2007 under a qualifying repayment plan while employed full-time by a qualifying employer.

An **on-time payment** is a payment made no more than 15 days after the due date for the payment.

Eligible loans are loans made under the William D. Ford Federal Direct Loan (Direct Loan) Program that are not in default.

Qualifying repayment plans for PSLF include the Revised Pay As You Earn (REPAYE) plan, the Pay As You Earn (PAYE) plan, the Income-Based Repayment (IBR) plan, the Income-Contingent Repayment (ICR) plan, the Standard Repayment plan with a maximum 10-year repayment period, and any other Direct Loan repayment plan if payments are at least equal to the monthly payment amount that would be required under the Standard Repayment plan with a 10-year repayment period.

Qualifying repayment plans for TEPSLF include the qualifying repayment plans for PSLF, as well as the Graduated Repayment Plan, Extended Repayment Plan, Standard Repayment Plan for Direct Consolidation Loans, and Graduated Repayment Plan for Direct Consolidation Loans.

QUALIFYING EMPLOYMENT DEFINITIONS

A **Qualifying employer** includes the government, a not-for-profit organization that is tax-exempt under Section 501(c)(3) of the Internal Revenue Code, or a private not-for-profit organization that provides certain public services. Serving in an AmeriCorps or Peace Corps position is also qualifying employment.

Government includes a Federal, State, local or Tribal government organization, agency or entity; a public child or family service agency; or a Tribal college or university.

A **private not-for-profit organization** is an organization that is not organized for profit, is not a labor union, is not a partisan political organization, and provides at least one of the following public services: **(1)** emergency management, **(2)** military service, **(3)** public safety, **(4)** law enforcement, **(5)** public interest legal services, **(6)** early childhood education, **(7)** public service for individuals with disabilities and the elderly, **(8)** public health, **(9)** public education, **(10)** public library services, **(11)** school library services, or **(12)** other school-based services.

AmeriCorps position means a position approved by the Corporation for National and Community Service under Section 123 of the National and Community Service Act of 1990 (42 U.S.C. 12573).

QUALIFYING EMPLOYMENT DEFINITIONS (CONTINUED)

Peace Corps position means a full-time assignment under the Peace Corps Act as provided for under 22 U.S.C. 2504.

An **employee** means an individual who is hired and paid by the qualifying employer.

Full-time means working for one or more qualifying employers for the greater of: **(1)** an annual average of at least 30 hours per week or, for a contractual or employment period of at least 8 months, an average of 30 hours per week; or **(2)** unless the qualifying employment is with two or more employers, the number of hours the employer considers full time.

An **authorized official** is an official of a qualifying employer who has access to the borrower's employment or service records and is authorized by the employer to certify the employment status of the organization's employees or former employees, or the service of AmeriCorps or Peace Corps volunteers.

SECTION 8: IMPORTANT INFORMATION ABOUT PSLF AND TEPSLF

You may receive loan forgiveness only after you have made 120 qualifying payments on eligible loans while working full-time in qualifying employment. There are certain additional eligibility requirements for TEPSLF.

PAYMENT ELIGIBILITY

To receive PSLF, you must make 120 on-time, full, scheduled, separate monthly payments on your Direct Loans under a qualifying repayment plan after October 1, 2007.

On-time payments are those that are received by your servicer no later than 15 days after the scheduled payment due date.

Full payments are payments on your Direct Loan in an amount that equals or exceeds the amount you are required to pay each month. If you make multiple, partial payments in a month and the total of those partial payments equals the required full monthly payment amount, those payments will count as one qualifying payment provided all of the partial payments were made within 15 days of the due date.

Scheduled payments are those that are made while you are in repayment. They do not include payments made while your loans are in an in-school or grace status, or in a deferment or forbearance period.

If you were an AmeriCorps or Peace Corps volunteer, you may receive credit for making qualifying payments if you make a lump sum payment by using all or part of a Segal Education Award or Peace Corps transition payment.

You may also receive credit for qualifying payments if a lump sum payment is made on your behalf through a student loan repayment program administered by the U.S. Department of Defense (DOD).

If you make a lump sum payment by using an AmeriCorps Segal Education Award or a Peace Corps transition payment, or if a lump sum payment is made on your behalf through a DOD student loan repayment program, the Department will give you credit for qualifying payments equal to the lesser of **(1)** the number of payments resulting after dividing the amount of the lump sum payment by the monthly payment amount you would have made under one of the qualifying repayment plans listed below; or **(2)** 12 payments.

PAYMENT ELIGIBILITY (CONTINUED)

If you make an eligible lump sum payment using a Peace Corps transition payment, you must do so within 6 months of the Employment End Date, as reported in Section 3.

You may only use an AmeriCorps Segal Education Award or Peace Corps transition payment one time to receive credit for more than one qualifying payment towards PSLF. However, lump sum payments made on your behalf under a DOD student loan repayment program may be counted as up to 12 qualifying payments for each year that a lump sum payment is made.

Your payments must be made under a qualifying repayment plan. Qualifying repayment plans for PSLF include the REPAYE plan, the PAYE plan, the IBR plan, the ICR plan, the 10-Year Standard Repayment plan, or any other Direct Loan repayment plan, but only payments that are at least equal to the monthly payment amount that would be required under the 10-Year Standard Repayment plan. Qualifying repayment plans for TEPSLF include the qualifying repayment plans for PSLF, as well as Graduated, Extended, Standard Repayment Plan for Direct Consolidation Loans and Graduated Repayment Plan for Direct Consolidation Loans.

Though repayment plans other than the REPAYE, PAYE, IBR, and ICR plans are qualifying repayment plans for PSLF, you must enter REPAYE, PAYE, IBR, or ICR to have a remaining balance to forgive after becoming eligible for PSLF. Otherwise, your loans will be fully repaid within 10 years. To apply for these plans, visit [StudentAid.gov/IDR](https://studentaid.gov/IDR).

IMPORTANT: The Standard Repayment Plan for Direct Consolidation Loans made on or after July 1, 2006 has repayment periods that range from 10 to 30 years. Monthly payments you make under this plan are qualifying payments for PSLF only if the repayment period is 10 years, which would be the case only if the total amount of the consolidation loan and your other eligible student loans is less than \$7,500. This repayment plan is always a qualifying repayment plan for TEPSLF.

SECTION 8: IMPORTANT INFORMATION ABOUT PSLF (CONTINUED)

LOAN ELIGIBILITY

Only Direct Loan Program loans that are not in default are eligible for PSLF. Loans you received under the Federal Family Education Loan (FFEL) Program, the Federal Perkins Loan (Perkins Loan) Program, or any other student loan program are not eligible for PSLF.

If you have FFEL Program or Perkins Loan Program loans, you may consolidate them into a Direct Consolidation Loan to take advantage of PSLF. However, payments made on those loans before you consolidated them do not count as qualifying PSLF payments. In addition, if you made qualifying payments on a Direct Loan and then consolidate it into a Direct Consolidation Loan, you must start over making qualifying payments on the new Direct Consolidation Loan.

If you are planning to consolidate your FFEL Program or Perkins Loan Program loans into a Direct Consolidation Loan to take advantage of PSLF and do not have any Direct Loans, do not submit this form until you have consolidated your loans and have subsequently made 120 qualifying payments. The online application for Direct Consolidation Loans contains a section that allows you to indicate that you are consolidating your loans for PSLF. If you plan to consolidate Perkins Loan Program loans, first understand that Perkins Loan Program loans may be cancelled for certain types of public service. If you consolidate a Perkins Loan Program loan, you will no longer be eligible for Perkins cancellation. The online application is available at [StudentAid.gov/consolidation](https://studentaid.gov/consolidation). If you don't know whether you have Direct Loans, go to [StudentAid.gov/dashboard](https://studentaid.gov/dashboard).

EMPLOYMENT ELIGIBILITY

To qualify for PSLF, you must be an employee of a qualifying employer. An employee is someone who is hired and paid by the employer, and who receives an IRS Form W-2 from the employer. You may physically perform your work at a qualifying or non-qualifying organization, as long as you are an employee of a qualifying employer. If you are working at the location of or with an organization under contract with your employer, the organization that hired and pays you must be a qualifying employer, not the organization where you perform your work.

A qualifying organization is a government organization, a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (IRC), or a private not-for-profit organization that provides certain public services. Service in an AmeriCorps or Peace Corps position is also qualifying employment.

A private not-for-profit organization that is not a tax-exempt organization under Section 501(c)(3) of the IRC may be a qualifying organization if it provides certain specified public services.

EMPLOYMENT ELIGIBILITY (CONTINUED)

These services include **(1)** emergency management, military service, public safety, or law enforcement services, **(2)** public health services, **(3)** public education or public library services, **(4)** school library and other school-based services, **(5)** public interest legal services, **(6)** early childhood education, **(7)** public service for individuals with disabilities and the elderly. The organization must not be a business organized for profit, a labor union, or a partisan political organization.

Employment as a member of the U.S. Congress is not qualifying employment.

You must be employed full-time by your employer.

Generally, you must meet your employer's definition of full-time. However, for PSLF purposes, that definition must be at least an annual average of 30 hours per week.

If you are a teacher or in another position under contract for at least eight out of 12 months, you meet the full-time standard if you work an average of at least 30 hours per week during the contractual period and receive credit by your employer for a full year's worth of employment.

If you are employed in more than one qualifying part-time job simultaneously, you may meet the full-time employment requirement if you work a combined average of at least 30 hours per week with your employers.

Vacation or leave time provided by the employer or leave taken for a condition that is a qualifying reason for leave under the Family and Medical Leave Act of 1993, 29, U.S.C. 2612(a)(1) and (3) is equivalent to hours worked in qualifying employment.

TEPSLF ELIGIBILITY

To qualify for TEPSLF, you must be ineligible for PSLF **only** because some or all of your payments were not made under a qualifying repayment plan for PSLF and if the payment that you made 12 months prior to applying for TEPSLF and the last payment made before applying for TEPSLF were at least as much as you would have paid under the REPAYE, PAYE, IBR, or ICR plans.

If you meet these requirements, you will be evaluated for TEPSLF eligibility under the expanded list of qualifying repayment plans for TEPSLF.

OTHER IMPORTANT INFORMATION

You are not permitted to apply the same period of service to receive PSLF and the Teacher Loan Forgiveness or Civil Legal Assistance Attorney Student Loan Repayment programs.

SECTION 8: IMPORTANT INFORMATION ABOUT PSLF (CONTINUED)

OTHER IMPORTANT INFORMATION (CONTINUED)

You have the option to postpone making payments on your Direct Loans if you are submitting this form and you believe that you qualify for forgiveness right now. However, when evaluating whether to choose forbearance, it is important to understand that periods of forbearance do not count towards PSLF or TEPSLF. If you decline forbearance, any payments made after your 120th qualifying payment will be refunded to you or applied to any other outstanding loans held by the Department.

SECTION 6: BORROWER REQUESTS, UNDERSTANDINGS, AUTHORIZATION, AND CERTIFICATION

If I am requesting an income-driven repayment plan or seeking to change income-driven repayment plans, **I request:**

- That my loan holder place me on the plan I selected in Section 2 to repay my eligible Direct Loan or FFEL Program loans held by the holder to which I submit this form.
- If I do not qualify for the plan or plans I requested, or did not make a selection in Item 2, that my loan holder place me on the plan with the lowest monthly payment amount.
- If I selected more than one plan, that my loan holder place me on the plan with the lowest monthly payment amount from the plans that I requested.
- If more than one of the plans that I selected provides the same initial payment amount, or if my loan holder is determining which of the income-driven plans I qualify for, that my loan holder use the following order in choosing my plan: REPAYE (if my repayment period is 20 years), PAYE, REPAYE (if my repayment period is 25 years), IBR, and then ICR.

If I am not currently on an income-driven repayment plan, but I did not complete Item 1 or I incorrectly indicated in Item 1 that I was already in an income-driven repayment plan, **I request** that my loan holder treat my request as if I had indicated in Item 1 that I wanted to enter an income-driven repayment plan.

If I am currently repaying my Direct Loans under the IBR plan and I am requesting a change to a different income-driven plan, **I request** a one-month reduced-payment forbearance in the amount of my current monthly IBR payment or \$5, whichever is greater (unless I request another amount below or I decline the forbearance), to help me move from IBR to the new income-driven plan I requested.

I request a one-month reduced-payment forbearance in the amount of: _____ (must be at least \$5).

I understand that:

- If I do not provide my loan holder with this completed form and any other required documentation, I will not be placed on the plan that I requested or my request for recertification or recalculation will not be processed.
- I may choose a different repayment plan for any loans that are not eligible for income-driven repayment.
- If I requested a reduced-payment forbearance of less than \$5 above, my loan holder will grant my forbearance for \$5.
- If I am requesting a change from the IBR Plan to a different income-driven repayment plan, I may decline the one-month reduced payment forbearance described above by contacting my loan holder. If I decline the forbearance, I will be placed on the Standard Repayment Plan and cannot change repayment plans until I make one monthly payment under that plan.
- If I am requesting the ICR plan, my initial payment amount will be the amount of interest that accrues each month on my loan until my loan holder receives the income documentation needed to calculate my payment amount. If I cannot afford the initial payment amount, I may request a forbearance by contacting my loan holder.
- If I am married and I request the ICR plan, my spouse and I have the option of repaying our Direct Loans jointly under this plan. My loan servicer can provide me with information about this option.
- If I have FFEL Program loans, my spouse may be required to give my loan holder access to his or her information in the National Student Loan Data System (NSLDS). If this applies to me, my loan holder will contact me with instructions.
- My loan holder may grant me a forbearance while processing my application or to cover any period of delinquency that exists when I submit my application.

I authorize the entity to which I submit this request and its agents to contact me regarding my request or my loans at any cellular telephone number that I provide now or in the future using automated telephone dialing equipment or artificial or prerecorded voice or text messages.

I certify that all of the information I have provided on this form and in any accompanying documentation is true, complete, and correct to the best of my knowledge and belief and that I will repay my loans according to the terms of my promissory note and repayment schedule.

SECTION 9: DEFINITIONS

COMMON DEFINITIONS FOR ALL PLANS:

Capitalization is the addition of unpaid interest to the principal balance of your loan. This will increase the principal balance and the total cost of your loan.

A **deferment** is a period during which you are entitled to postpone repayment of your loans. Interest is not generally charged to you during a deferment on your subsidized loans. Interest is always charged to you during a deferment on your unsubsidized loans.

The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans, and Direct Consolidation Loans.

Family size always includes you and your children (including unborn children who will be born during the year for which you certify your family size), if the children will receive more than half their support from you.

For the PAYE, IBR, and ICR Plans, family size always includes your spouse. For the REPAYE plan, family size includes your spouse unless your spouse's income is excluded from the calculation of your payment amount.

For all plans, family size also includes other people only if they live with you now, receive more than half their support from you now, and will continue to receive this support for the year that you certify your family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs. Your family size may be different from the number of exemptions you claim for tax purposes.

The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal PLUS Loans, Federal Consolidation Loans, and Federal Supplemental Loans for Students (SLS).

A **forbearance** is a period during which you are permitted to postpone making payments temporarily, allowed an extension of time for making payments, or temporarily allowed to make smaller payments than scheduled.

The **holder** of your Direct Loans is the U.S. Department of Education (the Department). The holder of your FFEL Program loans may be a lender, secondary market, guaranty agency, or the Department. Your loan holder may use a servicer to handle billing, payment, repayment options, and other communications. References to "your loan holder" on this form mean either your loan holder or your servicer.

A **partial financial hardship** is an eligibility requirement for the PAYE and IBR plans. You have a partial financial hardship when the annual amount due on all of your eligible loans (and, if you are required to provide documentation of your spouse's income, the annual amount due on your spouse's eligible loans) exceeds what you would pay under PAYE or IBR.

The annual amount due is calculated based on the greater of **(1)** the total amount owed on eligible loans at the time those loans initially entered repayment, or **(2)** the total amount owed on eligible loans at the time you initially request the PAYE or IBR plan. The annual amount due is calculated using a standard repayment plan with a 10-year repayment period, regardless of loan type. When determining whether you have a partial financial hardship for the PAYE plan, the Department will include any FFEL Program loans that you have into account even though those loans are not eligible to be repaid under the PAYE plan, except for: **(1)** a FFEL Program loan that is in default, **(2)** a Federal PLUS Loan made to a parent borrower, or **(3)** a Federal Consolidation Loan that repaid a Federal or Direct PLUS Loan made to a parent borrower.

The **poverty guideline amount** is the figure for your state and family size from the poverty guidelines published annually by the U.S. Department of Health and Human Services (HHS) at aspe.hhs.gov/poverty-guidelines. If you are not a resident of a state identified in the poverty guidelines, your poverty guideline amount is the amount used for the 48 contiguous states.

The **standard repayment plan** has a fixed monthly payment amount over a repayment period of up to 10 years for loans other than Direct or Federal Consolidation Loans, or up to 30 years for Direct and Federal Consolidation Loans.

SECTION 9: DEFINITIONS (CONTINUED)

DEFINITIONS FOR THE REPAYE PLAN:

The **Revised Pay As You Earn (REPAYE) plan** is a repayment plan with monthly payments that are generally equal to 10% of your discretionary income, divided by 12.

Discretionary income for the REPAYE plan is the amount by which your income exceeds 150% of the poverty guideline amount.

Eligible loans for the REPAYE plan are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower.

DEFINITIONS FOR THE PAYE PLAN:

The **Pay As You Earn (PAYE) plan** is a repayment plan with monthly payments that are generally equal to 10% of your discretionary income, divided by 12.

Discretionary income for the PAYE plan is the amount by which your income exceeds 150% of the poverty guideline amount.

Eligible loans for the PAYE plan are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower.

You are a **new borrower for the PAYE plan** if: **(1)** you have no outstanding balance on a Direct Loan or FFEL Program loan as of October 1, 2007 or have no outstanding balance on a Direct Loan or FFEL Program loan when you obtain a new loan on or after October 1, 2007, and **(2)** you receive a disbursement of an eligible loan on or after October 1, 2011, or you receive a Direct Consolidation Loan based on an application received on or after October 1, 2011.

DEFINITIONS FOR THE IBR PLAN:

The **Income-Based Repayment (IBR) plan** is a repayment plan with monthly payments that are generally equal to 15% (10% if you are a new borrower) of your discretionary income, divided by 12.

Discretionary income for the IBR plan is the amount by which your adjusted gross income exceeds 150% of the poverty guideline amount.

Eligible loans for the IBR plan are Direct Loan and FFEL Program loans other than: **(1)** a loan that is in default, **(2)** a Direct or Federal PLUS Loan made to a parent borrower, or **(3)** a Direct or Federal Consolidation Loan that repaid a Direct or Federal PLUS Loan made to a parent borrower.

You are a **new borrower for the IBR plan** if **(1)** you have no outstanding balance on a Direct Loan or FFEL Program loan as of July 1, 2014 or **(2)** have no outstanding balance on a Direct Loan or FFEL Program loan when you obtain a new loan on or after July 1, 2014.

DEFINITIONS FOR THE ICR PLAN:

The **Income-Contingent Repayment (ICR) plan** is a repayment plan with monthly payments that are the lesser of **(1)** what you would pay on a repayment plan with a fixed monthly payment over 12 years, adjusted based on your income or **(2)** 20% of your discretionary income divided by 12.

Discretionary income for the ICR plan is the amount by which your adjusted gross income exceeds the poverty guideline amount for your state of residence and family size.

Eligible loans for the ICR plan are Direct Loan Program loans other than: **(1)** a loan that is in default, **(2)** a Direct PLUS Loan made to a parent borrower, or **(3)** a Direct PLUS Consolidation Loan (based on an application received prior to July 1, 2006 that repaid Direct or Federal PLUS Loans made to a parent borrower). However, a Direct Consolidation Loan made based on an application received on or after July 1, 2006 that repaid a Direct or Federal PLUS Loan made to a parent borrower is eligible for the ICR plan.

SECTION 11: SAMPLE PAYMENT AMOUNTS

The tables below provide repayment estimates under the traditional and income-driven repayment plans. These figures are estimates based on an interest rate of 6%, the average Direct Loan interest rate for undergraduate and graduate borrowers. The figures also assume a family size of 1, that you live in the continental U.S., and that your income increases 5% each year. Various factors, including your interest rate, your loan debt, your income, if and how quickly your income rises, and when you started borrowing may cause your repayment to differ from the estimates shown in these tables. These figures use the 2016 Poverty Guidelines and Income Percentage Factors.

SECTION 8: DEFINITIONS

A **teacher** is a person who provides direct classroom teaching or classroom-type teaching in a non-classroom setting, including special education teachers (see below).

NOTE: School librarians, guidance counselors, and other administrative staff are not considered teachers for the purposes of this loan forgiveness program.

Special education means specially designed instruction, at no cost to parents, to meet the unique needs of a child with a disability (see below), including instruction conducted in the classroom, in the home, in hospitals and institutions, and in other settings; and instruction in physical education (see below).

A **child with a disability** is a child who needs special education and related services because the child has an intellectual disability, a hearing impairment (including deafness), a speech or language impairment, a visual impairment (including blindness), a serious emotional disturbance, an orthopedic impairment, autism, a traumatic brain injury, another health impairment, or a specific learning disability. For a child age 3 through 9, the term “a child with a disability” may, at the discretion of the state and the local educational agency, include a child who needs special education and related services because the child is experiencing developmental delays, as defined by the state and as measured by appropriate diagnostic instruments

and procedures, in one or more of the following areas: physical development, cognitive development, communication development, social or emotional development, or adaptive development.

Physical education means the development of physical and motor fitness, fundamental motor skills and patterns, and skills in aquatics, dance, and individual and group games and sports (including intramural and lifetime sports), and includes special physical education, adapted physical education, movement education, and motor development.

An **elementary school** is a public or nonprofit private school that provides elementary education as determined by state law or, if the school is not in a state, by the Department.

A **secondary school** is a public or nonprofit private school that provides secondary education as determined by state law or, if the school is not in a state, by the Department.

An **educational service agency** is a regional public multiservice agency (not a private organization) authorized by state statute to develop, manage, and provide services or programs to local educational agencies (such as public school districts), as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

SECTION 8: DEFINITIONS (CONTINUED)

An **academic year** is:

- One complete school year at the same school or for the same educational service agency, or
- Two complete and consecutive half years at different schools or for different educational service agencies, or
- Two complete and consecutive half years from different school years at either the same school or for the same educational service agency or at different schools or for different educational service agencies.

Half years do not include summer sessions. Two half years generally fall within a 12-month period. For schools or educational service agencies that have a year-round program of instruction, a minimum of nine months is considered an academic year.

Full time means the standard used by a state in defining full-time employment as a teacher. If you teach in more than one school or educational service agency, full time is based on the combination of all of your qualifying employment.

Loans that are eligible for forgiveness are:

- Federal Direct Stafford/Ford Loans (Direct Subsidized Loans);
- Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans);
- Subsidized Federal Stafford Loans;
- Unsubsidized Federal Stafford Loans; and
- Any portion of a Federal Direct Consolidation Loan or Federal Consolidation Loan that paid off an eligible Direct Subsidized Loan, Direct Unsubsidized Loan, Subsidized Federal Stafford Loan, or Unsubsidized Federal Stafford Loan.

Direct PLUS Loans, Federal PLUS Loans, and any portion of a Direct Consolidation Loan or Federal Consolidation Loan that paid off a PLUS loan are not eligible for forgiveness.

The **holder** of your Direct Loan Program loans is the Department. The holder of your FFEL Program loans may be a lender, secondary market, guaranty agency, or the Department. Your loan holder may use a servicer to handle billing and other communications related to your loans. References to “your loan holder” on this form mean either your loan holder or your servicer.

The **chief administrative officer (CAO)** is the official who has access to employment records that establish your eligibility for loan forgiveness in accordance with the requirements explained on this form, and who is authorized to verify your qualifying employment at a school or by an educational service agency. Depending on your employer, the CAO may be a superintendent, a human resources official or other school district or educational service agency official, or a principal or assistant principal.

A **forbearance** is a period of time during which you are temporarily not required to make payments or temporarily allowed to make smaller payments than previously scheduled, or an extension of time for making payments. You are responsible for any interest that accrues on a loan during forbearance. If you do not pay the interest that accrues on the loan, the interest may be capitalized.

Capitalization is the addition of unpaid interest to the principal balance of your loan. This will increase the principal and total cost of your loan.

SECTION 9: DEFINITION OF HIGHLY QUALIFIED

PUBLIC SCHOOL TEACHERS

To be a highly qualified teacher, a **teacher of public elementary or secondary school students** or a **teacher employed by an educational service agency** must:

- Have obtained full state certification as a teacher (including certification obtained through alternative routes to certification) or passed the state teacher licensing examination, and hold a license to teach in that state, except that when used with respect to teaching in a public charter school, the term “highly qualified teacher” means that the teacher meets the requirements set forth in the state's public charter school law; and
- Not have had certification or licensure requirements waived on an emergency, temporary, or provisional basis.

In addition, a **teacher of elementary school students who is new to the profession** also is considered highly qualified if the teacher:

- Holds at least a bachelor's degree; and
- Has demonstrated, by passing a rigorous state test, subject knowledge and teaching skills in reading, writing, mathematics, and other areas of the basic elementary school curriculum (which may consist of passing a state-required certification or licensing test or tests in reading, writing, mathematics, and other areas of the basic elementary school curriculum).

A **teacher of middle or secondary school students who is new to the profession** also is considered highly qualified if the teacher:

- Holds at least a bachelor's degree; and
- Has demonstrated a high level of competency in each of the academic subjects in which the teacher teaches by: **(1)** passing a rigorous state academic subject test in each of the academic subjects in which the teacher teaches (which may consist of a passing level of performance on a state-required certification or licensing test or tests in each of the academic subjects in which the teacher teaches); or **(2)** successful completion, in each of the academic subjects in which the teacher teaches, of an academic major, a graduate degree, coursework equivalent to an undergraduate academic major, or advanced certification or credentialing.

A **teacher of elementary, middle, or secondary school students who is not new to the profession** also is considered highly qualified if the teacher holds at least a bachelor's degree and:

- Meets the applicable standards of a teacher of elementary, middle, or secondary school students who is new to the profession; or
- Demonstrates competence in all the academic subjects in which the teacher teaches based on a high objective, uniform state standard of evaluation that: **(1)** is set by the state for both grade appropriate academic subject matter knowledge and teaching skills; **(2)** is aligned with challenging state academic content and student academic achievement standards and developed in consultation with core content specialists, teachers, principals, and school administrators; **(3)** provides objective, coherent information about the teacher's attainment of core content knowledge in the academic subjects in which a teacher teaches; **(4)** is applied uniformly to all teachers in the same academic subject and the same grade level throughout the state; **(5)** takes into consideration, but is not based primarily on, the time the teacher has been teaching in the academic subject; **(6)** is made available to the public upon request; and **(7)** may involve multiple, objective measures of teacher competency.

PRIVATE SCHOOL TEACHERS

To be a highly qualified teacher, a **teacher in a private, non-profit elementary or secondary school** who is not a highly qualified teacher as defined above must satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas. The competency tests must be recognized by five or more states for the purposes of fulfilling the highly qualified teacher requirements under section 9101 of the Elementary and Secondary Education Act of 1965. The teacher must also achieve a score on each test that equals or exceeds the average passing score for those states.

SECTION 10: TERMS AND CONDITIONS

Under the Teacher Loan Forgiveness Program, if you teach full time for five consecutive, complete academic years at certain elementary and secondary schools or for certain educational service agencies that serve low-income families and meet other qualifications, you may be eligible for forgiveness of up to a combined total of \$5,000 or \$17,500 (as applicable) of principal and interest on your Direct Loan and/or FFEL program loans.

To qualify for loan forgiveness, you must not have had an outstanding balance on a Direct Loan or FFEL program loan on October 1, 1998, or on the date that you obtained a Direct Loan or FFEL program loan after October 1, 1998.

You are not eligible to receive forgiveness on a defaulted loan unless you have first made satisfactory repayment arrangements with the holder of the defaulted loan.

Any loan for which you are seeking forgiveness must have been made before the end of your five consecutive, complete academic years of qualifying teaching service.

You may not receive benefits through the AmeriCorps Program under Subtitle D of Title I of the National and Community Service Act of 1990 or loan forgiveness under the Direct Loan Public Service Loan Forgiveness Program for the same period of teaching service for which you receive forgiveness under this Teacher Loan Forgiveness Program.

You must have been employed as a full-time teacher for five consecutive, complete academic years at an elementary or secondary school or for an educational service agency that is listed in the Annual Directory of Designated Low-Income Schools for Teacher Cancellation Benefits (TCLI Directory). The TCLI Directory is available online at studentaid.gov/app/tcli.action. If this directory is not available before May 1 of any year, the previous year's directory may be used. To qualify for inclusion in the TCLI Directory, a school or educational service agency must: **(1)** be in a school district that qualifies for funds under Title I of the Elementary and Secondary Education Act of 1965, as amended; and **(2)** have been selected by the Department based on a determination that more than 30% of the school's or educational service agency's total enrollment is made up of children who qualify for services provided under Title I.

All elementary and secondary schools operated by the Bureau of Indian Education (BIE) or operated on Indian reservations by Indian tribal groups under contract with the BIE qualify as schools serving low-income students.

If your school or educational service agency is included in the TCLI Directory for at least one qualifying year of your teaching service, but does not qualify for inclusion in the TCLI Directory during subsequent years, your **subsequent** years of teaching at that school or educational service agency may be counted toward the required five years of teaching. Any years of teaching **before** the school or educational service agency qualified for inclusion in the TCLI Directory may not be counted.

If you were unable to complete a full academic year of teaching, your absence from teaching for part of the year (including the time needed for you to resume teaching no later than the beginning of the next regularly scheduled academic year) will not be considered a break in the required five consecutive, complete academic years of teaching if **ALL** of the following requirements are met:

- You completed at least one-half of the academic year;
- You were unable to complete the remainder of the academic year: **(1)** because you returned to postsecondary education, on at least a half-time basis, in an area of study directly related to the performance of the teaching service described above; **(2)** due to a circumstance that is a qualifying reason for leave under the Family and Medical Leave Act of 1993 (FMLA); or **(3)** because you were called or ordered to active duty status for more than 30 days as a member of a reserve component of the Armed Forces; and
- Your employer considers you to have fulfilled your contract requirements for the academic year for the purposes of salary increases, tenure, and retirement.

You may qualify for forgiveness based on qualifying teaching service at any combination of eligible elementary schools, secondary schools, or educational service agencies.

Teaching at an eligible elementary or secondary school may be counted only if at least one of the five years of teaching was after the 1997 -1998 academic year.

Teaching for an eligible educational service agency may be counted only if the consecutive five-year period includes qualifying service for an eligible educational service agency performed after the 2007 -2008 academic year.

SECTION 10: TERMS AND CONDITIONS (CONTINUED)

You may receive **up to \$5,000** in loan forgiveness if you were a highly qualified full-time teacher for elementary or secondary school students or (only if your qualifying teaching service began before October 30, 2004) you were **(1)** a full-time teacher for elementary school students and you demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, or **(2)** a full-time teacher for secondary school students and you taught in a subject area that was relevant to your academic major.

You may receive **up to \$17,500** in loan forgiveness if you were **(1)** a highly qualified full-time teacher of mathematics or science to secondary school students; or **(2)** a highly qualified full-time special education teacher whose primary responsibility was to provide special education to children with disabilities, and you taught children with disabilities that corresponded to your area of special education training and have demonstrated knowledge and teaching skills in the content areas of the curriculum that you taught.

You are not eligible for forgiveness of more than a **combined total of \$5,000 or \$17,500** (as applicable) of principal and interest of your Direct Loan and/or FFEL program loans. You must repay any loan balance that remains after forgiveness has been granted.

Unless you instruct your loan holder otherwise, the forgiveness amount will be applied to your loans in the following order: **(1)** Direct Unsubsidized Loans or unsubsidized Federal Stafford Loans, **(2)** Direct Subsidized Loans or subsidized Federal Stafford Loans, and **(3)** Direct Unsubsidized Consolidation Loans, Direct Subsidized Consolidation Loans, or Federal Consolidation Loans.

If you are determined to be eligible for loan forgiveness under this program, your loan holder will not refund any payments that you made or that were made on your behalf before the determination of eligibility.

If you receive loan forgiveness based on any false, fictitious, or fraudulent statements that you make on this form or on any accompanying documents, you may be required to repay the amount forgiven and you may be subject to civil and criminal penalties under applicable federal law.
